

NWP Impact Grant Amplifier

In 2012, the NWP Impact Grant was awarded to Goodwill of Southern Nevada to support their Veteran Services, which include free comprehensive career services to active-duty and veteran spouses as well as local veterans seeking to transition from military to civilian life.

NWP's grant has had enduring impact by paving the way for medical training programs that allow military spouses to have stable and rewarding careers as deployments take them from place to place.

To help celebrate the 10th anniversary of our Impact Grant to Goodwill, we are hosting a collection drive to amplify our impact even further! We invite all NWP members to support Goodwill's 90-Day MA (Medical Assistant) and Certified Nursing Assistant train-to-hire programs, whose graduates alleviate the severe health care worker shortage in Southern Nevada. The items on their wish list include:
