2024 Impact Grant Application

Nevada Women's Philanthropy (NWP) is a member driven, pooled-funded, large impact grant-making organization established in 2005 to address the needs of the greater Las Vegas Community. NWP's membership consists of philanthropically motivated women, united by a powerful desire to address critical issues facing our community in the areas of arts, education, environment, social services, and health. NWP has invested over \$7.5 million with 31 nonprofit organizations in So. Nevada to date. NWP Impact Grant Applications are thoroughly vetted. Those meeting NWP's Base Criteria are sent to Grant Screening for further review. At the completion of their process the recipient is decided by majority vote of our entire membership.

NWP will consider projects that:

- provide new or expanded services in alignment with agency mission.
- are ready for implementation within one year of becoming grant recipient.

Applicants must:

- demonstrate a strong Southern Nevada connection (i.e., history of operating locally, a local Board/representatives, local and diversified funding sources).
- have operated in Southern Nevada for a minimum of four (4) years and provide three (3) years of **audited** financial statements.
- demonstrate the ability to financially manage a large-scale grant (e.g., a minimum annual agency revenue of \$250,000).
- not be a NWP Impact Grant recipient in the past seven grant cycles or a Founders Gift recipient in the past grant cycle.
- demonstrate a plan to sustain the project beyond NWP grant funds.

This grant should:

- represent at least 30% of the proposed project (larger percentages preferred) with the balance of funding secured and confirmed by March 1, 2024.
- impact a Southern Nevada population.
- be aligned with the agency's stated mission.
